

# INTRODUCING FIFTYLIVES.ORG

**FiftyLives.org** is a new web site and proactive global movement dedicated to sharing stories and information about the impact of tissue donation on lives around the world.

Coupled with the new web site, FiftyLives also has a Facebook, Twitter and Youtube presence to fully capture the opportunities that social media bring to a mega awareness movement such as tissue donation.

Visit [FiftyLives.org](http://FiftyLives.org)

## Wall of Life

Read stories of gifts given and received and how lives were changed through tissue donation. Easily share individual stories with others via facebook, twitter and email.

## 50 Voices

Add your voice to the many who have remembered or thanked donors, shared their stories and expressed the importance of being a registered donor.

## Opportunities

Learn how you can register to become a donor, donate time by helping us spread the word about **FiftyLives.org** or make a monetary contribution to Community Tissue Services.
